

2010 Tournament Rules

Format - Tournament is a 4-man Scramble. Each member of the team hits a tee shot. Seniors (65 or older) and ladies tee off from the Red*. All other players tee off from the blue. Four players tee off, pick the best ball of the four and play from that spot. Four players hit again, pick the best ball and continue procedure until ball is holed out.

Course Rules - Each player must have his or her own set of clubs. Players must wear golf-shoes or smooth-soled sneakers. Players must wear proper golf attire (not blue jeans, cut off's, tank tops or tee shirts). No food or beverage may be brought onto the property. Keep golf carts 30 feet from tees and greens, fix divots and ball marks, and rake bunkers. Follow golf rules and etiquette.

Mulligans - 2 mulligans per player may be purchased at \$10 per mulligan. No mulligans used on contest shots.

Other Rules - Have Fun!!! This is always the first rule. USGA rules shall be followed except as modified by local rules of the course or this document. For the longest drive, the ball must be in the fairway. For the closest to the pin, the ball must be on the green. Should there be any ties for the individual prizes, the winner will be determined by a blind draw. After choosing which shots shall be taken within one club length from where the ball lay, subsequent putts shall be made within one putter head length of the original spot chosen, no closer to the hole. Record the team score when the first team ball is in the cup. All prizes will be awarded immediately following the tournament while we are still at the course. Ties for low score will be settled by use of the backup method. The scores will be backed up using the hole handicap until a winner is determined.

*The Longest Drive Contest may only be won from the Blue Tee.
